

Liste der regelbesteuerten Lose unserer eLive Auction 94

Wichtiger Hinweis:

Zum 01.01.2025 gilt eine neue, für die Staaten der Europäischen Union bindende Richtlinie. Diese EU-Richtlinie führt dazu, dass Ware, die vor der Versteigerung aus Drittländern in die EU eingeführt wurde, ab 2025 nicht mehr differenzbesteuert verkauft werden kann. Beachten Sie daher bitte unsere Auflistung der Lose, die der Regelbesteuerung unterliegen. Diese Liste finden Sie wie gewohnt am Ende des Kataloges. Bitte beachten Sie auch die damit verbundene Aufgeldregelung in §8 in unseren Versteigerungsbedingungen.

List of lots subject to regular taxation in our eLive Auction 94

Important note

As of January 1, 2025 a new European Union directive will be binding for all EU member states. This directive states that goods imported into the EU from third countries prior to the auction can no longer be sold subject to margin scheme taxation from 2025. Therefore, please note our list of lots that are subject to standard taxation. As usual, you will find this list at the end of the catalog. Please also note the associated premium regulation in §8 of our auction terms and conditions.
